WELDEN BROUGHT BACK.

Colored Youth Who Stole from Pleasant Valley Man to Be in Court Today.

Edward Welden, 17 years of age, colored, who is accused of the theft of some six dollars in cash and three watches from the home of W. H. Squires in Pleasant Valley, and who was apprehended in Leavenworth, Kansas, Dec. 7th, has been brought back to this city by State Policeman William E. Jackson, and lodged at the police station, prior to his presentment before the Mansfield authorities today to answer to the charge against him.

The alleged theft occurred on the 4th of December and the police wasted no time in getting track of the young man, who was caught as he stepped off the train in Kansas. Mr. Jackson went out with extradition papers to bring Welden back.

In October of 1914 Welden was arrested on a charge of fraud, found guilty and placed on probation.

Lectured for Red Cross Work.

Hon. Jonathan Godfrey of the State Tuberculosis commission delivered a lecture in connection with the Red Cross seal work of the commission at the Gem theatre Sunday evening, which was attended by a considerable number of residents of the city. The talk was illustrated with motion pictures showing Hope, A Curable Disease, and The Temple of Moloch. The use of the theatre was contributed by Manager A. P. Dorman, with customary generosity.

Rain Carries Off Snow.

The snows of last week finally disappeared with the heavy rainstorm of Saturday, although the men in the employ of the street department were kept busy all day cleaning out the gutters, and preparing for the overflow of water and slush. Shopping was not very good for the last Saturday before Christmas, and this week will see the bulk of the buying done, in all probability.

Moves to Spring Hill.

William Ross of Eagleville, who was

employed by Willard H. Smith of North street, in the wholesale fruit business, for some months, has moved to Spring Hill, where he is acting as assistant to the town clerk, Bradley M. Sears. Mr. Ross is looking after the office work for Mr. Sears, who is in rather poor health.

FRACTURED LEFT HIP.

H. F. Tourtelotte, Scotland Farm Hand, Fell on the ice.

H. F. Tourtelotte, employed as a farm hand by W. J. Potter of Scotland, is a patient at St. Joseph's hospital, where he was brought Saturday, after sustaining a fracture of the left hip from a fall on ice. Dr. F. E. Guild reduced the fracture after the fall, which took place Friday night and authorized his removal to the institution.

Every Member Canvass.

Sunday was Exery Member Canvass day at the First Baptist church in this city, the canvassers meeting for a basket lunch in the church parlors at 11:45, and starting at 12 o'clock. The campaign shortly after 2 o'clock. As was the case last year, excellent results were obtained from this method of raising funds for the ensuing year, and sufficient pledges were obtained to ensure that the expenses of the church will be taken care of.

FUNERAL.

Brigham O. Spaulding.

The funeral of Brigham O. Spaulding, who died at his home at 12 o'clock Saturday noon, Rev. George W. Christie of South Coventry officiated. Burial was held in the cemetery, South Coventry, in charge of Funeral Director Jay M. Shepard.

WEDDING.

Ramshaw-Klubedanz.

Arthur P. Ramshaw of this city and Miss Elsie C. Klubedanz of New York were married by Rev. William S. Board of the First Congregational church, about 5 o'clock Saturday evening, at the home of the pastor. The ceremony was quite simple, only Mrs. Mary Ramshaw of Jersey City, mother of the groom, and Rev. W. D. Caver, attending the couple. Mr. and Mrs. Ramshaw will remain in the city, taking no long trip for the present. Mr. Ramshaw is secretary of the Willimantic Trust company, prominently identified with the Greek club of the Congregational church, and a popular young man. His bride has spent the past few summers with her family at Lake Waukegan, South Coventry, and is known by many in this city.

IS YOUR STOMACH CLOGGED WITH WASTE?

Lee & Osgood Guarantee to Return the Money if Mi-o-na Does Not Relieve You.

"It's a pleasure to sell a medicine when our customers come in afterward and tell us how much good it has done them," said Lee & Osgood, the popular druggists, to a Bulletin man, "and that is why we want to recommend Mi-o-na, the dyspepsia remedy. The distribution of samples that we made recently has brought us a box of Mi-o-na that our clerks have been busy selling the medicine ever since. We have so much faith in this article that we are willing to guarantee it in the future, and will return the money to any purchaser who is not satisfied. That may seem rash, but our customers have said so many good words in its favor that we do not expect to have many packages returned. Anyone who has dyspepsia, whose food does not digest well, and who is unable to take food as he can eat, and when, can leave a few cents deposit at our store and take home a box of Mi-o-na and if the remedy does not relieve his dyspepsia, he can withdraw his money. We don't know but what we would be willing to return it to every man who shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase of sales since Lee & Osgood introduced it in Norwich shows that it does all that it is claimed to do—relieves dyspepsia, regulates digestion and enables those who use it to eat what they want with no fear of trouble after."

five thousand dollars for a swimming pool at the Y. M. C. A. building will meet for a final report, and it is expected that practically all of the amount needed will be reported in as pledged. At the last lunch, Thursday, over \$4,000 had been raised, and there are some out-of-town residents yet to be heard from.

The ladies' auxiliary of the institution, at its meeting Friday, voted to give one hundred dollars toward this project, and it is likely that several other organizations, or at least a considerable number of individual women may feel inclined to aid, as the pool is suitable for their use as well as the use of the men, if there is sufficient demand expressed.

To Sell or Not to Sell?

Tonight at 8 o'clock the electors of the town will meet in special session at the town hall to determine whether or not they shall dispose of the present three buildings on the property at the corner of High and Prospect streets, next to the high school building, and also whether or not the old town building on Church street shall be sold.

The question has been before the town officials for some time, and First Selectman E. P. Chesbro wisely preferred to have the electors settle the question themselves, rather than arbitrarily to decide the matter a short time ago the matter was discussed at a meeting of the board of trade, by which an affirmative vote was almost unanimous for the disposal of the property.

There will also be a vote on the matter of continuance of the present lighting facilities in South Windham.

PLAINFIELD

Three Democratic Candidates for Moopus Postmastership—Wildcat Caught in Trap—Knights of St. Paul Elect Officers.

As the 17th of February draws near interest in the Moopus postoffice squabble increases, and the entrance of Leo Parker, the new candidate, with his endorsement by a majority of the business men and by several hundred voters, has magnified the interest. The candidacy of Daniel Smith is backed by the present town committee, of which Mr. Smith is chairman, and also by a large number of citizens. W. F. Curran, the first candidate in the field, has the support of several state central committeemen and also by a long local petition. The town committee, at the time Mr. Curran and Mr. Smith had the contest, endorsed both. At present it looks like anybody's game, with Mr. Curran a good bet on account of his political connections.

Sheldon, the present postmaster, has made a good office and although all know that Sheldon must go to make way for a democrat, the longer he holds on the longer his friends will be pleased. The democrats are smiling at this scheme, for the longer the office is in Sheldon's hands, the longer it will run into the authorized administration's term, whether a democrat or a republican gets in.

Norwich Visitors Saturday.

Among local visitors in Norwich Saturday were Mr. and Mrs. E. Doucet, Miss Rose Hiltz, Miss Alice Hiltz, Miss Agnes Nolan, George Hutchinson and son George, Fred Bouley, Miss Elina Lambert, Miss Bessie Taylor, Rudolph Swanson, Mrs. Joseph Smith and daughter Annie, Miss Evelyn Greenwood, Luck Turcott, E. Veau, Edith Birtwistle, Mrs. Joshua Peterson, Mr. and Mrs. Henry Devineau, Mr. and Mrs. Levy Benoit and Miss Mary Auger.

Prowler Was a Wildcat.

About two months ago the people in the neighborhood of Flat Rock claimed that some wild animal was prowling around in that section of the town. When Simon Sullivan declared that this animal was prowling around his farm, the people told him that he had seen Mr. Betterman's large St. Bernard dog and mistook it for the animal. Last Thursday, however, when Haskell came to one of his stone traps he found a large wildcat, sometimes called a woodcat, in it. The cat was dead. Mr. Haskell brought the cat to his home and has the pelt. The cat is about four feet long and is believed to be the one which has terrified the people of that section.

The society will hold its anniversary celebration on Friday, Jan. 7, also a public installation.

Game Postponed.

DAUGHTERS ASPHYXIATED AND HIS FIVE NEARLY SO

Horrible Spectacle That Confronted a Belgian at Stamford.

Stamford, Conn., Dec. 19.—Mrs. Octavia Pieters, wife of a Belgian refugee, who was discovered almost dead from illuminating gas in their apartment in a rooming house here last night, where for two infant daughters lay dead in bed from the same cause, was still unconscious, it was said at the hospital tonight and her chances for recovery are thought to be slight. She was found by her husband when he went to the house to take his family to a small home which he had just finished for them.

The woman had been in the country but a short time. The authorities believe that in her unfamiliarity with the gas, she had blown out the light instead of turning it off, as the gas was pouring into the room from a wide open jet, when Pieters with the assistance of neighbors broke in.

PIMPLES DISFIGURED FACE AND NECK

Would Irritate and Burn. Ashamed To Go Out. Could Not Wear Collar. Could Not Sleep at Night. Cuticura Soap and Ointment Healed.

4008 Third Ave., Brooklyn, N. Y.—"I was troubled very much with pimples and blackheads which first began on my forehead then on my neck. They would irritate and I would scratch them and I would make them bleed and burn something awful. My face and neck were disfigured and I was ashamed to go out. I could not wear a collar. At night I could not sleep because they would burn and itch so bad."

"One day I happened to see an advertisement in the paper and sent for Cuticura Soap and Ointment. Just one week after using the Cuticura Soap and Ointment I found great relief. I would wash my face and neck with the Soap then put a little Ointment on and wash off in a few minutes. After using Cuticura Soap and Ointment several months I was completely healed."
